

## TRINITY UNITED CHURCH OF CHRIST, DORSEYVILLE

Trinity United Church of Christ welcomes you!

Just as Jesus welcomed the children in love and with open arms, we believe that God has called us to provide a safe and caring faith community where everyone feels welcome and laughter and love abound.

Through listening to the Word of God, feeling God's presence, and discerning God's vision for our congregation, we are seeking a pastor who will spiritually lead the congregation with positive energy, inspiring preaching, and encourage us forward in stewardship and mission outreach.

While thanking God for the resources we possess, our focus is likewise on the future and our desire to continue to grow in spirit, deeds and numbers.

Trinity has a core group of lay leaders that maintain ministries including the children's Sunday School, Kids' Church, Missions (5 for 5, Food Bank, Neighborhood Academy, Surgicorps, etc.), Music Program, and Hospitality (Strawberry Festival, Coffee Fellowship, Christmas Program, regular family fellowship activities, etc.).

Trinity is located in a beautiful suburban neighborhood that

includes one of Allegheny County's premiere county parks, Hartwood Acres that has ample walking and biking trails as well as free summer concerts. There are two local parks within 2 miles of the church plus indoor soccer, tennis and ice hockey facilities nearby. The Rachel Carson Trail passes within one mile of the church.

Trinity UCC is located in the heart of the award-winning Fox Chapel Area School District with an elementary school and the middle school within walking distance of the church. The church is 13 miles from Pittsburgh and is close to both the PA Turnpike and Route 28.

As the children of our congregation provide motivation to move this church into a new era, Trinity looks forward to working with a new Pastor who can help us grow into our vision and challenge us to grow in our faith and reach toward the extraordinary by being a beacon of God's light, life and love.
