*Ms. Terri Roberts*

Terri Roberts has lived just south of Strasburg, PA, for the past 22 years, as wife of Chuck for 42 years, mother of four sons, and as a grandmother of 13. She is a member of Living Faith Church of God. She has survived serious illness and adheres, as a result, to an admirably rigorous diet. Hers was a relatively quiet life until ten years ago, when an unthinkable tragedy in her community, a tragedy for which one of her beloved sons was responsible, propelled Terri into the public's eye. She describes herself as one who has walked through circumstances beyond her own ability to cope yet has found strength and even joy along the way. Hers is a message of God's Grace given and received and the mountains it can move.
