

St. Paul's Community Church

2167 State Route 268, Chicora, PA 16025

sugarcreekchurch@aol.com

St. Paul's is a federated congregation with 169 Active members. Sunday worship averages 90 or more.

St Paul's is affiliated with the United Church of Christ and the Conservative Congregational Christian Conference. While many members are retired, there are many children at church each Sunday.

Our church is located in Sugarcreek Township, Armstrong County, a rural community within 5 miles of the Allegheny River at East Brady. Shopping is conducted in Butler or Kittanning each about 15 miles away. Pittsburgh is an hour drive.

We have a very busy congregation with an active Elder's group assisting the pastor in visitation and an evangelism and missions committee providing many service opportunities for our members. This activity is funded by a monthly spaghetti dinner involving many members.

Our church sends a group on a mission trip to Guatemala annually. Periodically, we visit the GAIN (Global Aid Network) warehouse in Lancaster, PA, and have performed many local mission projects over the years.

Community wiener roasts, kite flying, family fishing, Mother's Day Breakfast, karaoke, chili cook offs, Girl Scouts, and bus trips to Faith Night at PNC park are some of the events sponsored by our church.

We are seeking a minister who is called to turn his/her faith into the sort of ministry that makes a difference in people's lives. We expect that he/she will be a willing participant in denominational activities and the local ministeriums. Most importantly, we seek someone who through his/her sermons, and witness, will empower our congregation to greater service to our God and God's creation.
