

# Treasurer's Report

This being my first year serving as the PWC Treasurer, I am privileged to be on the Board of Directors and working with many spiritually-guided and knowledgeable people.

Our Penn West Conference does so much with limited staff and limited funds. They are definitely faithful stewards of your donations.

Speaking of your donations, 2018 was the 1<sup>st</sup> year Our Churches Wider Mission has increased over the previous year since 2013. It was only a mere 2% increase from 2017 to 2018. But let us make it an on-going trend.

An industrialist in the 1930's, R.G. LeTourneau made his business a partnership with God by reversing his tithe; he gave God 90 percent of his profits and took 10 percent for himself. His motto was -

***“Not how much of my money do I give to God, but how much of God’s money do I keep for myself?”***

Even in his generosity, he knew that he could never out give God.

It is wrong to expect just and fair results without supplying the resources necessary to accomplish those results. Speak out at your consistory/council budgeting meetings. And if you are personally moved, make your own donation via check or online giving.

Please spiritually and financially consider the needs of our Penn West Conference.
