

Weber Report

Many thanks to all congregations that support Weber Memorial and use the property as a solace and inspiring place to give praise and worship.

The facility is available to all churches for services in the chapel and picnics at the pavilion. The conference office in Greensburg provides all the details for scheduling.

On behalf of the committee, the best is done to maintain the property along with the help of the caretaker who resides in the house adjacent to the chapel. There has not been any major projects over the past year. Thanks to all who also provide their time, talents and tithes as contributions.

Please always keep Weber in your thoughts and prayers as it continues to be a memorial to our churches history, to our faithful pioneers that came before us and where the presence of our Lord is shown all around.

The Weber Committee.
