A Message from Our Moderator:

The first thing I thought about when David asked me to write a letter inviting all of you to attend this year's Annual Gathering was what an old farmer friend once told me, "The more things change the more they stay the same."

Unfortunately we are still looking at the COVID-19 pandemic and trying to determine when will we be back to normal? When we can share a touch, a hug, and a meal. On the other hand my faith tells me that God has a plan. We just need to carry on and do His will serving our neighbors, churches, and conference until he is ready.

Once again we will be Zooming our workshops, meetings, speakers and social time. One blessing with this format is that you can attend any or all workshops if you desire, from the comfort of your favorite chair. We will be able to hear from and chat with our General Minister and President. Not to mention all the many talented folks who give their heart and soul to the glory of God and the Penn West Conference, including YOU! I look forward to the whole series of events and your presence.

Blessings,
Tom
