

Living Waters Camp and Conference Center

300 Camp Living Water Rd, Schellsburg, PA15559 * (814)733-4212 * camplivingwaters65@gmail.com

Greetings,

As many of you have experienced, 2020 was a year full of challenges, but also a year of many blessings. Due to COVID-19, we made the difficult decision to cancel our summer programming. We were able to provide virtual summer programming, as well as open the campground as a safe, socially distance location for family retreats and community activities. Last year we also expanded our community outreach. Living Waters is now the location for local Relay for Life events, community events, such as a community trunk or treat, and the PA Lumberjack Competition.

As we look forward to the year ahead, we are excited about some new activities at the camp. On Memorial Day weekend, we sponsored our First Annual Fishing Tournament at the camp that coincided with our spring/summer tent and trailer weekend. We are also planning to have two single week long camps that are broadly graded for children in grades K-12. We made the change for this year, to help best meet COVID-19 restrictions and ensure camper and staff safety. The camps this year will be on July 11-16 and July 18-23. In the fall, Living Waters is planning on having a fall festival, as well as another community trunk or treat.

Before closing, I would like to take a moment on behalf of the Board of Directors to thank everyone for their continued support of Living Waters. We have been able to meet the challenges of the past year and the year ahead with your continued support, whether it be monetary, time, or simply prayers. We also invite you to come visit Living Waters during one of our events, camps, or to volunteer!

Blessings,

Chelsea Neatrou,
Board President
