Some Important Notes on the Schedule

Zoom information for Friday's sessions and Saturday's meeting will be sent to all registrants.

We want to promote our mission partners this year and provide information about how to support them. On the hard copy of the registration form, spaces will be provided where you may designate a gift to these partners and include that gift in the payment that you make with your registration payment. You may also give directly to these partners if you wish. Information about Christian Associates of Southwest Pennsylvania may be found here: www.casp.org (a "donate" tab is on the homepage), and information about St. Paul's Continuing Care Community may be found here: www.stpauls1867.org (a "giving" tab is on the homepage).

The appropriate certificates in our time of celebration will be mailed to those who should receive them.

The Board of Directors will plan to meet after the meeting at a time to be announced to Board members.
