Physical and Financial Health and Well-Being

This year, we are thrilled to have presenters from the Pension Boards lead us in a time of retreat. The focus of our time together at Antiochian Village will be on our physical and financial health and well-being as pastors. We know that September is a busy month for pastors, but we hope that you will take the time to become renewed with fresh insights into how to improve both your physical health and financial well-being. This is an important time apart. You won't want to miss it!

**Registrations are due
no later than September 15.**
