

Disabilities Awareness Survey by the Justice and Witness Team

Please return to the Conference office by May 31, 2021

- (1) In what ways has your congregation made it possible for those with assistive devices to enter the building?

What have been the challenges?

- (2) Once an individual has entered the building, how has your congregation made it possible for those who are handicapped to access the sanctuary, classrooms, social hall and restrooms?

What have been the challenges?

- (3) In what ways has your congregation made it possible for those who are hearing impaired to participate in the service?

What have been the challenges?

- (4) In what ways has your congregation made those with mental illness feel welcomed?

What have been the challenges?
