

### **Some Important Notes on the Schedule**

Zoom information for Friday's sessions and Saturday's meeting will be sent to all registrants.

We want to provide some information about what our mission offerings this year will be supporting. Information about our SHEEP (Sustaining Hope for Educational Expenses in the Philippines) Fund may be found here: <http://www.pennwest.org/content/global-ministries.html>, and information about Hoffman Homes for Youth may be found here: <https://hoffmanhomes.com/>. On the hard copy of the registration form, spaces are provided where you may designate a gift to either of these offerings and include that gift in the check that you make out and send in with your registration payment. If you want to make a gift to these offerings online, it must be done separately from the online registration payment. You may make a gift to either of these special offerings at any time by clicking on the "donate" button on our homepage and designating your gifts appropriately.

An abbreviated version of the celebration that we usually have on the Friday evening of our Annual Gathering & Meeting will take place during our opening worship. The appropriate certificates will be mailed.
