

**Did you know? *There is a
Penn West Conference
Global Mission
Opportunity coming up?***

History

The Penn West Conference has been a faith partner with the Northwest Luzon Conference in the Philippines since 2010. As part of that partnership, the Penn West Conference sent Rev. Joseph Hedden and Ms. Melissa McLean to visit the Northwest Luzon Conference in 2014 and in 2016 Bishop Elorde Sambat, Conference Minister Noel Pagdilao and Rev. Marjorie Belmonte visited the Penn West Conference.

Latest Update

The Penn West Conference Global Mission Team is now planning a mission trip to the Northwest Luzon Conference to further nurture and share our faith partnership, to learn more about their culture and to meet some of their needs at a couple of local churches. We have also been invited to attend their annual conference during our visit. Target dates for this trip are April 26-May 9, 2020.

We will be working with our partners in the Philippines to develop the itinerary for the trip, identify the costs for the trip and identify the mission projects we would help with.

Interested?? Here's what YOU need to do!

Anyone who would be interested in going on this mission trip or helping to plan it should contact their pastor and the Penn West Conference office (david@pennwest.org)by March 1, 2019. Please include your Name, Church name and location, along with your phone and e-mail address.
