

St. Paul's UCC
937 Twin Church Road
Knox, PA 16232

St. Paul's UCC, located just outside of Knox, PA, is a welcoming church family. Our history dates back nearly 200 years. Serving first the German immigrants, of both Lutheran and Reformed heritage, eventually both of these faiths built their own buildings, which stand today. Our building is a red brick building containing a number of beautiful stained glass windows. We are located near Clarion University of Pennsylvania and Cook Forest State Park. Many trails for walking and bicycling are located in the area. We are a mile from Interstate 80 roughly halfway between Erie and Pittsburgh.

Our congregation of 30 to 40 is mostly an older one and is a very caring and concerned body of worshippers. We care about youth and would like to grow and become a church that is more inviting to the young people in our area.

Worship is at 9:30 AM on Sunday and is followed by Sunday School. We participate in community ministries such as the local food cupboard. Our church family makes and sends greeting cards to members and their families as well as people in the community and soldiers. We foster an atmosphere of closeness and friendship. We are a 5 for 5 church that also supports St. Paul's Home in Greenville, Operation Christmas Child, and Missionaries.

We conduct a monthly nursing home service, a Bible Study, and a number of special worship services throughout the year. An Easter party for the children, a weekly choir anthem, a number of fundraising and social dinners, an Ice Cream Social, and a Cookie Walk are some of the prominent events on our calendar.

We have an established Prayer Chain that addresses needs of our church family and a Social Concerns Committee to address community needs. Our congregation is seeking a pastor who is a friend and spiritual advisor to help us grow both individually and as a church. We look forward to the future and hope to make progress in our numbers and continue to follow Jesus Christ wherever that may lead.
