WELCOME

*The vision of the Penn West Academy is: To know God
and to be known by God in Christ Jesus.*

Dear Friends,

Welcome to the Penn West Academy for Ministry Catalogue! The Academy is a spiritual and educational program of the Penn West Conference of the United Church of Christ that aims to prepare women and men for service in local churches. Run under the authority of the Conference Committee on Ministry, the Academy provides courses in Biblical Studies, Theology, Worship and Preaching, Church History and United Church of Christ Covenant and Polity. This catalogue outlines educational opportunities for clergy and lay persons in the Academic Year of 2020-2021. If God is calling you to a deeper walk of faith or “to make this faith [your] own in reality of worship, in honesty of thought and expression, and in purity of heart before God,”[from the United Church of Christ Constitution] you might discern that the Penn West Academy is for you.

Grace and Peace,

Rev. Joseph Hedden, Dean

STUDENT EXPECTATIONS AND CODE OF CONDUCT

Since there are many different types of students who enroll in the Penn West Academy, there is no one-size-fits-all course of study or discernment. However, it is important to remember that questions pertaining to Licensing, Commissioning, and Member in Discernment Status (MIDs) are issues for the MID in prayerful and frequent consultation with her or his Association Committee on Ministry. More information on the Member in Discernment Process is available on the United Church of Christ website (http://www.ucc.org/ministers_marks). Students and Committees on Ministry should make themselves very familiar with these documents and processes.

Students in the Penn West Academy must attend all four regular sessions plus the Boundary Training each academic year for 4 years. If a student misses more than one of these five total sessions in an academic year, he or she must repeat the year. Students should notify the Dean if they will be absent or if there are any circumstances that may alter their status as students in the Academy. Each student will be appointed a faculty mentor, with whom they must meet each academic year. The Dean and Faculty will report annually (usually in late May) on the progress of students to the Conference Committee on Ministry.

The Penn West Academy expects students to abide by a Code of Conduct informed by Christian values and practices. Relying on God's grace, students should live lives of honesty, prayer, Bible reading, and impartiality/fairness to others. Students are expected to be in regular contact with the faculty and Dean in regards to specific assignments and expectation. All work is expected to be one's own. Proper attribution is expected if students cite ideas from other authors/sources. If students have questions about academic standards, they are encouraged to research proper citations and how to write a bibliography. The Dean has these resources.

After graduation, students will meet with their Association Committee on Ministry to satisfy any additional requirements. Association Committees on Ministry may require additional education, service, spiritual direction, and may appoint graduates permanent Association advisors.
