

Trinity United Church of Christ

600 Main Street, PO Box 86 • Berlin, PA 15530

God is still speaking.

Our emphasis is on God's unconditional love. We are united by our common faith in Jesus Christ and enriched by the diversity of our members. Together we seek to worship God, grow spiritually, live faithfully as disciples and stewards, share the good news of Jesus, and serve others in Jesus' name.

Our church expects our leader to be an effective communicator, a manager, and a spiritual guide. We want our pastor to take an active role in our local community. We want someone who will invest his or her time and energy into helping us grow our faith, not only through spiritual understanding, but by putting words into deeds, and working to guide and develop projects that benefit our community and young people. We want someone who can work cooperatively with our members and other churches to reach a common goal.

Our church counts many blessings. The most important of these is our members' willingness to do whatever is asked when called. We have strong lay leaders who provide the foundation of our church's inner workings. We are fiscally

responsible and sound. We have a wonderful music program that includes opportunities for people of all ages. We have a solid group of youth and young families who offer opportunities for our congregation to grow closer to one another through meals, special events, and outreach activities. We have so much to offer and hope to continue our growth in each of these areas.
