1. During the course of our Annual Gathering & Meeting, we will have a designated photographer who may take photos of those present. We may also (if unanimous consent is given) record parts of the Zoom sessions, as well. Because of this, we need to ensure that we have the consent of those who are being photographed or videoed. To that end, if you do not wish to have any personal images of you (and/or of any minors for whom you are the parent or legal guardian) collected or used by photography or video recording, we ask that you check the line at the end of this paragraph. Please note that photographs/videos may be used on the Penn West Conference website, social media, in newsletters and publications, and that they may be used to promote events in the future. If you do not consent to this photographic release, please check here: \_\_\_\_\_

2. UCC Financial Ministries has graciously agreed to sponsor our Annual Gathering & Meeting this year! One of the terms of the sponsorship is that they would like to be able to access the email addresses of this year's participants. If you do not wish to have your email address accessed by Financial Ministries, please check here: \_\_\_\_\_

3. Do you have mobility or other challenges that might need assistance during the in person meeting? Please list \_\_\_\_\_
