

Penn West Conference  
Global Missions Team  
Annual Report – June, 2022

The Global Missions Team has continued to meet via Zoom.

We continue to work with our partners in the Northwest Luzon Conference of the United Church of Christ in the Philippines. Good news! The Peace Pals and bibs from Penn West Conference have been received and PM Noel conveyed their thankfulness for them! They also received the donation we sent in lieu of being able to send our representatives for an in person visit. We have asked them to send information about how those funds have been used. We had planned to have a special collection for the SHEEP fund and that is still on hold until we hear how the money is being used.

On January 18, 2022, the Global Missions Team hosted an evening via Zoom with the Campbell-Nelsons who have been missionaries to West Timor in Indonesia. They gave an interesting and informative report of their work in Indonesia and then answered many questions from the participants. We are currently working to set up another Zoom conference with missionaries later this year.

Local churches report various mission projects such as making blankets for local charities, serving community meals and serving in local food banks.

Due to the world situation, no mission trips are currently being planned.

Respectfully submitted,

Jodie Enterline
