

Financial Stewards report:

The Financial Stewards meet throughout the year working to understand the financial picture of the PWC and advise the Board of Directors on financial matters of the Church.

We review financial statements, balance sheets, OCWM statements, and receive updates from the Mission Grants and Endowment committees. In addition, trends in church giving are reviewed, examining year to year changes. The Budget and Mission Spending Plan are prepared and presented to the Board of Directors to approve and present to the annual gathering.

The Mission Spending Plan, located in the financial section of the report, tells the story of the conference, what we do, how we support programs, looking at ways the conference plans to support local churches and pastors.

Once again this year committee members and volunteers are able to go out to churches and present the OCWM certificates, share in conversations on the life of the conference and personally thank congregations for supporting the conference and OCWM. The committee appreciates the help of the volunteers to support these visits.

The Faithful Stewards program continues to grow and is important to the Conference. Faithful Stewards is another avenue individuals have to show support to conference and it's programs. If you are interested in contributing and have not been contacted about joining, please see one of the Financial Stewards.

The Financial Stewards, together with the Endowment Committee and The Mission Grants Team all work together to fund conference programs and provide support to our local churches to help spread the word. This is only possible with God's grace and your support.
