

Caring for Churches, Caring for Clergy Report

Caring for Churches, Caring for Clergy is a fund created to allow our members and friends to make contributions to the Penn West Conference in support of our local churches through our Mission Grants Program with 10% of the contributions going to a fund for clergy with the United Church Board for Ministerial Assistance through financial assistance and leadership development. Our goal is to raise \$500,000 over the next three years to fund these programs. As of 5/1/2022 we have received gifts and pledges totaling more than \$156,000.00. This being an endowed fund also allows folks making plans for their estate distribution the opportunity to leave a gift to the Conference that will continue to give blessings to our churches and ministers for years to come. Our team of disciples welcome the opportunity to engage in conversations around this and other topics of planned giving that may align more with potential donor passion. Please reach out to the Conference Office for printed materials or contact any of the teammates below.
