

Caring for Churches, Caring for Clergy Campaign – 2025 Report

We have completed the Caring for Churches, Caring for Clergy campaign at the end of 2024 with a total of \$425,163.83 in gifts pledged and/or received. This program was inspired by our United Church Board of Ministerial Assistance in conjunction with our board of directors because it will aid in providing additional endowed resources to aid the efforts of our Mission Grants program addressing needs of our local churches and local clergy. We're grateful for all the donor support over the past five years, along with the hours of effort our team of disciples provided contacting potential donors, promoting the CFC movement. We are also grateful for the expertise and support of National Staff guiding us through the process.
