Christ Church: We have ongoing missions throughout the local community and reach out nationally and internationally. For example, we offer free office space to the local counselor of the state program for vocational rehabilitation. We also offer free space to the Westmoreland Community Action to prepare tax returns for low-income households. Our most recent campaign is a Blessing Box located in front of our church. Individuals are welcome to help themselves to non-perishable foods and dry goods. The Blessing Box is restocked three times a week.

St. John’s Church: One of the greatest challenges in our community is hunger. While most residents wouldn’t realize this community has a staggering number of people who need assistance we take great pride in providing to the Westmoreland County Food Bank. This assistance is done through not only the donations we receive from the congregation but also volunteers during the distribution.

WHO ARE WE NOW?

“You shall love your neighbor as yourself.” (Matthew 22:39 NRSV)

CONGREGATIONAL REFLECTIONS

Describe your congregation’s life of faith.

Christ Church and St. John’s Church: Our purpose is to worship God, to preach the gospel of Jesus Christ, and to celebrate the Sacraments; to realize Christian fellowship and unity within our churches and the Church universal; to render loving service toward humankind and to strive for righteousness, justice and peace.

We believe that God is love and we are challenged to share that love with all. Our congregations hold traditional Christian beliefs.

Describe several strengths or positive qualities of your congregation.

Christ Church: Our greatest strength is our people. There is a genuine concern for one another with a welcoming spirit to all, i.e. open and accepting. There is an overall desire to help and to serve, and the congregation is very friendly. During the recent COVID-19 pandemic and shutdowns, we maintained our staff and continued to pay the staff in spite of the reduced hours. Our members support a variety of missions beyond the walls of the church. Both Christ Church and St. John’s Church are “5 for 5” churches.

St. John’s Church: Our most positive strength is the respect we show for one another. We respect the difference of opinion, we respect the time it takes to keep a small church going, and we respect each other.

Describe what worship is like when your congregation gathers.

Christ Church: The focus of worship reflects the scripture readings of the lectionary. Sermons are somewhat relaxed and may include humor as appropriate. Background relative to what was happening at the time the passage was written is welcomed as well as how the passage is relevant today. Traditionally our services have been liturgical, but we welcome innovative ideas and concepts. We are willing to expand our worship experience to grow in our faith. Hymns and music in general are significant parts of our service.

St. John's Church: Worship is traditional and attentive with some good natured banter sometimes descending into short periods of chaos when one of the kids gets loose. Good preaching is concise, biblical based, creative, short enough to hold attention, but long enough to make the point.

Describe the educational program/faith formation vision of your church.

Christ Church: Opportunities to strengthen our faith are offered in the form of Adult and Children's Sunday School, Wednesday morning Bible Study and monthly ladies' social meetings.

St. John's Church: Church really begins after the service is over – in the basement where we dissect a portion of the bible and explore what is written much like the Jewish tradition. Then ethical questions are posed to understand the Bible's relevance in today's world. Children are encouraged to take part in the worship by lighting the candles, collecting the offering, and taking part in the Sunday school lesson.

Describe how your congregation is organized for ministry and mission.

- When it comes to decision-making, how many hours are spent in meetings per month?
Christ Church: The Consistory and various committees develop and implement our mission and ministry objectives. The Consistory meets monthly as do several of the committees. These meetings usually last about 1-1/2 hours.

St. John's Church: We are a very small church and organization is casual. Each family has one member on the consistory. Decisions are worked out at meetings by discussion and vote. Monthly meetings are usually 1-1/2 hours long.

Think of a time when action had to be taken quickly, for example when a crisis or disaster occurred. How was that accomplished?

Christ Church: When a crisis occurs, individuals will make immediate decisions followed up by a special meeting of Consistory to further resolve the issue.

St. John's Church: Emergency decisions are made by the member discovering the emergency and brought to the group as soon as practicable – we do not second guess action.

- Can you provide the next minister with a copy of an organization structure, bylaws and/or annual report to further explain the patterns of the church's activity and governance?

Christ Church: Yes. Bylaws and Annual Report

St. John's Church: Yes. Bylaws and Annual Report

Describe the mix of ethnic heritages in your congregation, and the overall racial make-up. Most UCC congregations tend to describe themselves as “diverse.” Yet, the vast majority of UCC congregations are mono-cultural. What does diversity mean in your context?

Christ Church: Our congregation reflects the diversity of the community with the majority of members describing themselves as European descendants.

St. John’s Church: Our congregation reflects our local demographic with a makeup of white non-Hispanic. We have first generation Americans with a strong ancestry from Germany, Austria, Poland, Ireland and Eastern Europe.

Has your congregation recently had a conversation about welcoming diversity, or do you plan to hold one on the near future (perhaps using, for example, the Welcoming Diversity Inventory)? Please note the date. Comment after the exercise:

Christ Church: We have welcomed the Islamic community to worship with us in the past. Due to the COVID pandemic, we have not participated in this ministry since 2019. Diversity is presented through Pastoral Sermons and Sunday School discussions.

St. John’s Church: We accept anyone who walks through our doors to worship with us.

REFLECTION

Reflection: After reviewing the congregational demographics and activities above, what does this information reflect about your congregation's overall ministry?

Christ Church: With the COVID-19 pandemic, many of these statistics are skewed and are based on 2019 and 2020 attendance and participation. We, the church, with its dedicated membership, are proud to have survived the pandemic. Additionally, we have maintained the existing staff with no reduction of salaries. The ministries outside the walls of our church building continue to function and to even grow.

St. John's Church: We are trying hard to remain faithful to our purpose to make a difference and living and leading by example. We don't seek glory or notoriety.

Reflection: After reviewing the church's finances and assets described above, what does this information reflect about your congregation's mission and ministry?

Christ Church: About nine years ago we decided to change our budgetary and investment processes. Prior to this, our monetary assets had gradually accumulated in a number of different investments in various institutions (banks, S&L's), and our budgeting process was primarily the responsibility of only a couple of individuals, of course with the approval of Consistory and the congregation. The change involved the establishment of a Long Range Planning (LRP) committee of five members which was also assigned the annual budgeting process and oversight of our investments. With the guidance of a church member who had an accounting background, a more formal and traditional budgeting format was developed. The multiple investment accounts were consolidated and reinvested into several portfolios with United Church Funds.

Although we occasionally draw upon our investments to meet ongoing budgeted expenses, we have seen progressive improvements in church giving, which has allowed us to use less of our financial reserves. This stabilization, indeed, improvement, in our internal finances has also made it possible for us to provide our pastor and employees with annual salary increases while simultaneously continuing to support various outreach missions. For example, during the COVID pandemic, we were able to maintain the employee salaries. We believe that a healthy balance sheet provides us the opportunity to keep looking outward to help and support others in need.

St. John's Church: We are a wealthy church. Our roof and furnace are good. Once fixed costs are met and a small reserve (10%) all other money goes out into the community.

HISTORICAL INFORMATION

Name one to three significant happenings in the history of your church that have shaped the identity of your congregation. Add the most important event in the life of your church in the past 10 years.

Christ Church: Our Church was organized on September 3, 1860, six years after the Borough of Latrobe was incorporated in 1854, when some of its residents heard the call to begin a journey called the Reformed Church of Latrobe. Just as it was a difficult time for the country struggling with a Civil War, poverty and unrest, so it was for a new congregation. Christ Reformed Church struggled in the beginning of their journey without a church building, but still ministering as the people of God. From the first structure in 1869 to the present house of worship, many changes have taken place. The church's denomination affiliation has changed from the original Reformed Church to the Evangelical and Reformed Church to the present day United Church of Christ. Christ Church has been serving the Latrobe community for over 160 years.

The most important event in the last ten years has been our survival of the COVID-19 pandemic. Although we experienced a shut-down, we did maintain worship experience through Facebook and a few parking lot services. Members of the Consistory reached out to the membership through telephone calls to maintain contact with members.

St. John's Church: Our church was founded in 1888. About 20 years ago we decided to go for broke, put God to the test and see if He was good. That experience has lasted this long anyway.

Describe a specific change your church has managed in the recent past.

Christ Church: In spite of the pandemic, we have kept the doors of the church open and have managed to maintain our staff without a reduction in compensation. Additionally, under the tutelage of our interim minister, a Communication Committee has been established between the two churches.

St. John's Church: In the absence of a settled pastor and the Covid-19 pandemic we managed to keep our doors open, the congregation safe and the church alive.

Every church has conflict, some minor, some larger. “Where two or three are gathered, there will be disagreement....” Describe your congregation’s values and practices when it comes to conflict.

Christ Church: We are a family and know that everyone will not always agree. Relationships are valued and differences of opinion are respected. As Christians we know that we do not always have to agree to be able to live together in communion.

St. John’s Church: First order – we are family. We don’t always have to agree and we will always give in to each other. In the last 40 years 3 people (a single and one couple) have left in dispute. We maintain friendly relations. Conflict is inevitable, but relationships are golden.

St. John’s Church: Some of the Missions that our church participates in are Meals on Wheels, Operation Christmas Child, Union Mission (local men’s shelter), Westmoreland County food bank, Fresh Express. We participate in the Ligonier Valley clean up and Food 2 Go 4 Kids. Layettes are provided to WIC and participate in the CROP WALK to end hunger. We participate in a variety of other missions on an as needed or called upon basis.

Describe your congregation's participation in meetings, relationships and activities connecting the wider United Church of Christ (association / conference / national setting).

Christ Church: Delegates are regularly sent to association and conference meetings. On occasion members have served as delegates or visitors to General Synod.

St. John's Church: N/A

Many local churches love to tell the story of what they are doing in the community to transform lives. Some have identified certain aspects of their witness into the wider community using language shared with other UCC congregations. (Find more information as desired at ucc.org.) Check any statements below that apply to your UCC faith community.

Reflect on what the above statement(s) mean(s) to your community. Is your congregation interested in working toward any of the above statements of witness in the near future?

We want to reinforce our efforts on the items selected above. We are open to consider new aspects of witness.

Describe your congregation's participation in ecumenical and interfaith activities (with other denominations and religious groups, local and regional).

Christ Church: Through the pastor's involvement with the Greater Latrobe Ministerial Association and the Westmoreland Ministerial Association the church takes part in various activities. Some of these have included the Community Thanksgiving Service, National Day of Prayer, and Week of Prayer for Christian Unity. (Due to the pandemic, some of these events have been on hold.)

St. John's Church: Partnership with the Universal Unitarians for the Fresh Express. This year we will continue our "First Responder Worship Service" showing our support and gratitude to 6 local volunteer fire companies, Ligonier Valley Police, and local EMS. A worship service will be preceded by a picnic style gathering. We also send representatives to the Ligonier Association of Churches meetings.

If your congregation has a mission statement, how does that mission statement compare to the actual time spent engaging in different activities? Think of the range of activities from time spent gathering, to governance, to time spent going out.

**Our Mission Statement is: To reflect Christ's love in everything we do.
We try to live up to the words of our mission statement in all of our actions.**

Reflect on the scope of work assigned to your pastor(s). How is their community ministry and their ministry in and on behalf of the wider church accounted for in the congregation's expectations on their time?

The congregations trust the Pastor to use his or her time wisely for the betterment of the congregation as well as the community.

MISSION InSite

Comment on your congregation's Mission Insite report with data for your neighborhood(s) or area. What trends and opportunities are shown?

Overall a growth in the elderly population is projected. Ways to minister to this population seem appropriate. Ironically, the trend also shows an increase in school age children thus providing an opportunity to further expand our church youth group.

How do your congregation's internal demographics compare or contrast to a) the neighborhoods adjacent to your church, and b) other neighborhoods with which your church connects?

Our congregations reflect a cross-section of our community with comparable age groupings.

How are the demographics of the community currently shaping ministry, or not?

In a joint effort between our churches, the youth group has expanded.

What do you hear when you talk to community leaders and ask them what your church is known for?

Christ Church: Community members have noted the friendliness of the congregation and the welcoming atmosphere as well as the beautiful stained glass windows and sanctuary. The annual Flea Market and Book Sale is also well attended by the community. Prior to the pandemic, we were known for our Salad Bars.

St. John's Church: The Fall Bazaar is a well-known activity that the community looks forward to yearly. We have a growing youth group that its intention is to be active in the community helping with food bank and fall cleanup.

What do new people in the church say when asked what got them involved?

Christ Church: Some stated they were looking for a church that accepted everyone and found us online. Others were inspired to return after attending a baptism, wedding or funeral. Friendliness and acceptance by the congregation gave them the desire to remain. There is a sense of belonging and a feeling that people care about you. The congregation is small enough to get to know one another. Encouragement to get involved in church activities and committees is also important.

St. John's Church: The out-going personality of a previous pastor and a First-Responders Service attracted the newest members of the congregation. The welcomeness of the congregation and the growing youth group and activities keep the latest participants active.

Blessings to you from our Lord Jesus Christ.

Christ United Church of Christ holds such a dear and special place in my heart as this was my home church. I was raised with this loving congregation who helped nurture my spiritual life for many years and helped me to hear and recognize God's call to ministry. This congregation was very much a part of my discernment process and schooling as I followed God's call on my life. On September 16, 2018, I was ordained at Christ Church. It was the most surreal moment in my life and the life of this congregation. I am most grateful for the love and support that I have experienced from this congregation many times in my life.

This church's ministry has touched not only my life but the lives of many people who have walked through their doors. The eyes of many have been opened as they experienced Word and song. I believe one of the strengths of this ministry is their music ministry. They have always had a wonderful music ministry which draws you deeper into worship with song as the Holy Spirit stirs within the hearts of the faithful. The diversity of this ministry brings those from the community into the church to share their talents as well as the talents of the members of the congregation who sing in the choir and play hand bells. Let us make a joyful noise unto the Lord!

Christ Church doesn't limit itself to what happens inside the church walls but reaches out to their shut-ins in a very special way. Each month "love cards" are sent to the shut ins with the signatures of those who have attended worship so that the shut ins will feel a part of the congregation. Many members also call and/or visit the shut-ins on a regular basis. Just as Jesus showed compassion to those in need, this congregation tries to follow Jesus' example and do the same. What a blessing this ministry is for those whose lives have been touched by it.

Though I would like to believe that the ministry of Christ Church is without need of improvement I know that only God is perfect. The one thing I would encourage this congregation to do is to be open, completely open to the voice of God. For when we are open to God's presence, the stirring of the Spirit does amazing and wonderful things.

My prayer for you who may be considering this call, is to open yourself up for the loving, compassionate congregation of Christ United Church of Christ and see where the Spirit guides you.

Blessings,

To whom it may concern:

My name is John Graziano, and I am the owner of Hartman-Graziano Funeral Home in Latrobe. I acquired the funeral home in November 1988. Christ Church is located directly across St. Clair Street from the funeral home.

It has been a pleasure being a neighbor of the church for all of these years. I have been acquainted with all of the pastors that have served the church since I've been here as well as many of the members and office staff. We have always had an amicable relationship and kept each other informed of events, needs, or important information that would be beneficial to each other.

The church has been kind enough to share their parking lot with us as well as tenants of the old elementary school. This has been greatly appreciated.

The church community at Christ Church seems to be very active in the many activities that take place. It seems that there are always cars in the parking lot indicating something is going on.

It is my hope that we can continue our good relationship with the church for years to come.

Respectfully,

John A. Graziano

To Whom It May Concern:

I have served Christ United Church of Christ, Latrobe, PA as their Interim Pastor two different times and have found them to be a great group of people with which to work. This is a church with excellent leadership willing to work closely with the Pastor. They were always open to new ideas and change. Many of the ideas came from them, but they were always open-minded.

This is a church that is mission minded, supporting local and wider missions. They have received grants from the Penn West Conference in support of their local mission to support a Men's Mission and provide programs for the Mission.

This church has wonderful support staffs, who are dedicated and professional.

The Administrative Assistant is a person of deep faith and has a personality that is open and friendly. She is a good "front line" person greeting person arriving at the office. She is an excellent Assistant to the Pastor, always corporative, friendly, and courteous. She is dependable and a true asset to the Congregation and Pastor.

The Music Director/Organist is a talented Musician with professional qualities. She is a wonderful Choir Director challenging the choir in their performance. She has a deep spiritual faith and an outgoing personality. She works well with people and the Pastor.

The Custodian/Maintenance person is dependable and always seems to get along with people and Pastor.

The Consistory is also very dedicated and provides great leadership. They are a valuable asset to the church and Pastor. They take their position seriously and are deeply committed to the church and Jesus Christ.

In my opinion this is one of the most successful churches in the Penn West Conference.

They are in need of a dedicated Pastor who is willing to grow with them in Ministry in Latrobe. I see this congregation as a excellent witness to the community.

I highly recommend them in their search for a Pastor.

God bless you in your search.

To Whom It May Concern:

My name is Robert McDowell. I am the recently retired fire chief of the Darlington Fire Company located near St. Johns United Church of Christ. As a leader in the fire department, I have interacted with the church and its members for many years. I personally am acquainted with many of the members who attend St. Johns.

The members of St. Johns have always been supportive of the Darlington community. An example, some years ago the church held a first responders appreciation service followed by a light lunch for firemen and their families. Many of our firemen attended and were very appreciative. It is my understanding that some fire company families began attending St. Johns following that event. Members of the church are extremely supportive of our fire department fund raisers.

As a member of the Board of Directors for the Meals on Wheels program in Ligonier Valley I can speak to the support of St. Johns in assisting this endeavor. On several occasions when meal recipients are unable to pay the monthly cost, the church has absorbed the cost so that recipients can remain in the program. Volunteer drivers help in the delivery of meals as well.

I wish the members of St. Johns the very best in their continuing ministry within the community and commend them for their mission in the community and beyond.

Sincerely,

Robert W. McDowell

CLOSING PRAYER

Dear Lord: Thank you for the strength you have given our churches through this process. You have made us stronger, you have made us wiser, and you have made us the church family that so many others yearn for. We are thankful our churches have survived the COVID-19 pandemic especially knowing many churches have closed. We were able to stay open because you look after each of us. Because of the strength you have given our small yet mighty churches, we are able to return gifts to the community where they are needed most. We do this not for recognition but because it's right and just.

We thank you for keeping the doors of our churches always swinging inward as we welcome anyone who walks through them. We are ever grateful for the people who call this place their church and even more grateful that we can call them family. Lord, we ask that you send our next pastor to be received by us with open and loving arms, and so that he/she may accept us as his/her new family.

We know this journey will be long and bumpy because we are just human, but with your love and the strength you will provide to us, we know it will all be worth it. We know you will not give us anything more than we can handle.

We do all this in your name,

Amen
